

Tackling Economic Crime Virtual Awards Ceremony

Sponsorship Brochure 2020

The UK awards for tackling economic crime

The Tackling Economic Crime Awards (TECAs) were launched in 2019 to recognise and reward companies, teams and individuals who have made a significant contribution in tackling all areas of economic crime, such as fraud, corporate espionage, money laundering, bribery and corruption.

The TECAs are designed to be both independent and inclusive, providing an opportunity for outstanding performers to be recognised and their success to be celebrated.

They are formed on the same principals as the Outstanding Security Performance Awards (OSPAs) which operate globally: <http://www.theospas.com/>

What makes the TECAS unique?

- The criteria for these awards are based on extensive research on key factors that contribute to and characterise outstanding performance.
- The TECAs are being set-up in collaboration with relevant associations and groups from the UK.
- The principles of the TECAs are that they are **independent, credible, transparent and respectable**.

The 2020 Virtual Awards Event

December 2019 saw the first-ever presentation of the Tackling Economic Crime Awards (TECAs); where 300 professionals from public, private and third sector organisations gathered to celebrate the amazing achievements of those involved in desisting all areas on economic crime.

Building on the success of 2019, for this year only, due to the uncertainty of the ongoing Coronavirus situation, the TECAs will take place as an online virtual event.

Going 'virtual' means that many more people can join in the celebrations when we announce the winners of the awards 'live' on **Wednesday 9th December.**
